

Remarks

The Examiner has objected to informalities in claims 32-42 and 44-51.

The Examiner has rejected claims 31 and 40 under 35 USC 102(e) as being anticipated by Jongill. Claims 31 and 40 have been cancelled.

The Examiner has rejected claims 32, 43, and 44 under 35 USC 103(a) as being unpatentable over Jongill in view of Pinarbasi. Claims 32, 43, and 44 have been cancelled.

The Examiner has objected to claims 33-39, 41 and 45-51 as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claims and any intervening claims. Claims 33-39, 41 and 45-51 have now been amended to include all the limitation of the base claims and intervening claims.

Applicant now believes the extant claims are in condition of allowance and respectfully requests notice thereof.

Respectfully submitted,

Mustafa Pinarbasi
